Whole-Body Dentistry

A Complete Guide to Understanding the Impact of Dentistry on Total Health

By Mark A. Breiner, DDS

As unbelievable as it seems, many health problems have their origin in the mouth! **Whole-Body Dentistry** represents a revolutionary energetic paradigm of dentistry. Every tooth relates to specific organs, tissues, and vertebrae; issues in the mouth can, indeed, trigger seemingly unrelated physical illnesses.

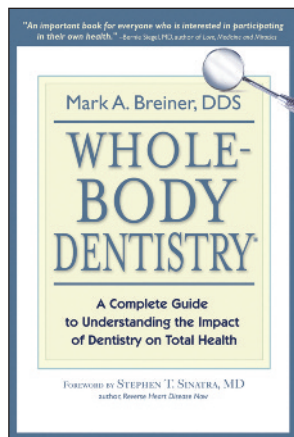

Learn about holistic approaches to all areas of dentistry and about new tools, diagnostic protocols, cutting-edge technologies, and energetic modalities. Topics discussed are illustrated using actual patient stories. A Dental Meridian Chart, descriptive images, and a list of resources are included.

This book provides you with the knowledge you need to take charge of your health and helps you identify the right questions to ask your dentist and health care practitioner.

"An essential reference for your health library."

The Luminous Pearl

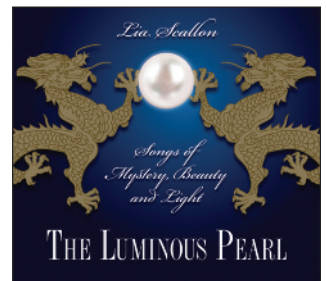

Songs of Mystery, Beauty and Light

By Lia Scallon

"Lia's angelic invocations have a mystical air, reminiscent of songs from the movie *Avatar* or *Lord Of The Rings*. **The Luminous Pearl** will shine brightly among the musical offerings of this gifted artist." - Michael Diamond

The songs and "Language of Light" of 2012 COVR award-winning composer and singer **Lia Scallon** have been transforming lives throughout the world for over a decade.

The Luminous Pearl, Lia's tenth album, is no ordinary music CD. Recordings began on the December 21st 2012 Solstice, when our planet experienced a once-in-26,000-year Alpha/Omega cyclic shift. The powerful cosmic frequencies of that unique moment were intentionally harnessed and embedded into the music. **The Luminous Pearl** therefore provides a key of activation for those ready to awaken to their deeper spiritual nature. Also carried within the music, is the energy of a rare, sacred artifact known as 'The Luminous Pearl', a mysterious crystal that glows luminously in the dark.

Living Originally

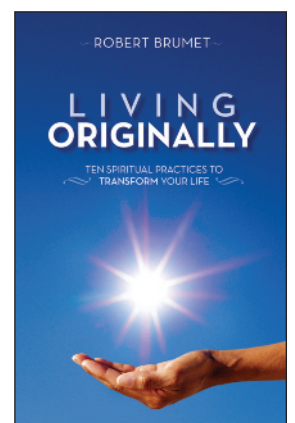

Ten Spiritual Practices to Transform Your Life

By Robert Brumet

We see the world not as it is but as we are.

In **Living Originally**, Robert Brumet explores how most of our perceived problems stem not from the world, but from a false sense of self. Living originally is the art of knowing the truth about who you are. Using the book's 10 spiritual practices, you can rediscover your origin—your true self. As you master the practices, you will be transformed from a false sense of self, defined by your needs and the strategies to fulfill them, into a higher consciousness. As you live from the truth of who you are, everything in your world naturally falls into harmony.

Robert Brumet is the author of the widely read books *Birth of a Greater Reality*, *Finding Yourself in Transition*, and *The Quest for Wholeness*. He is an ordained Unity minister and teaches courses in pastoral counseling, meditation, and spiritual development at Unity Institute® and Seminary, Unity Village, MO.
